Introduction

Welcome to the 52-Week Reading Challenge! Over the next 100+ pages, you'll find 52 prompts to help you reach your goal of reading a book a week. Every prompt is designed to be vague enough that you're not stuck reading a genre you detest, but specific enough to really hone in on the perfect book.

Each weekly prompt sits above a lined journal page that you can use to jot down your thoughts on the challenge, other related books you'd like to read, or pretty much anything else you want to say about the prompt. Use the book review page for each prompt to help you track the plot summary, favorite quotes, other book-specific notes.

I've also included a book log over the next three pages, with enough space for your 52 books, plus a few "freebie" entries. Happy reading!
